

3rd – 8th Grade Teachers...

Your class is invited to:

- Appreciate the race to reduce, reuse, and recycle.
- Take a trip through a rainforest.
- Talk to wild things.
- Explore wiggly worms.
- Navigate the campus trails.
- Discover the amazing world of insects.

This day of hands-on environmental education learning activities, simulation games, workshops, and guided walks is sponsored by the Humboldt County Office of Education and the College of the Redwoods.

Presenters for REEF include local government agencies, private industry and non-profit organizations who are dedicated to providing a balanced perspective to students on environmental topics of local, national, and global concern.
