McKINLEYVILLE -- It's no surprise the McKinleyville High boys golf team reigned supreme in the final Humboldt-Del Norte Conference tournament at Baywood Golf and Country Club on Monday.

The Panthers led from first league tournament and never let go.

Finishing with a team score of 400, Mack ends with a season total of 2,682 to earn the automatic qualifier for the North Coast Section Championship set to be held at Baywood on May 17.

Will Rice earned the individual champion designation finishing with an overall score of 22, nine strokes better than second-place finisher Cody Curteman out of Fortuna.

When it was all said and done, each McKinleyville golfer placed in the top 10 in individual marks.

Del Norte finished with a 407 for second place in the H-DN finale. The team also finished second as a team overall with a final tally of 2,832.

Eureka compiled a 443 at Baywood and finished third overall as a team with a 3,017 total.

Individually on Monday, Curteman finished atop the leaderboard with a 74. Rice was next with a 78.

Del Norte and the top three individuals (Curteman, Arcata's Forrest Iverson and Matt Cendejas) will travel to Windsor on May 10 for the NCS Qualifier.

The top 12 individuals received medals and the top seven are set to get All-County honors.
