

REDWAY SCHOOL

KINDERGARTEN REGISTRATION

Children who will be 5 years of age by December 2, 2010, are eligible to attend the 2010-2011 kindergarten class. Registration will be held at Redway School, in the Family Resource Center, on **Wednesday, March 24th, from 9:00 a.m. until 1:30 p.m.**

The kindergarten teachers will be meeting with each parent and child. Our school nurse and speech therapist will be doing vision and hearing screenings. Additionally, staff from the Family Resource Center will have information on programs and services available to children and families. Our P.T.A. will provide refreshments and information on opportunities to participate at school. Our interpreter will be available to assist Spanish speaking families.

Please bring your child, birth certificate, and immunizations records when you come to register.

If you have questions about kindergarten registration or if you are not able to register your child on March 24th, please contact the school at 923-2526. In order to plan for next fall we need to know how many students to expect for our kindergarten classes. Please tell your acquaintances that may have children eligible for next fall's kindergarten class that registration will be March 24th.
